Universal Multifold Towel Dispenser

The McKesson universal multifold towel dispenser is a wall-mounted manual dispenser designed for high-traffic restrooms, kitchens, breakrooms, and common areas in non-acute healthcare facilities, helping reduce maintenance while supporting a clean, efficient environment. Its flexible design accommodates both C-fold and multifold towel products up to 10.125-inch width, providing reliable, single-service dispensing in busy outpatient, long-term care, and clinic settings.

Features and Benefits

Easy To Load & Refill

Simple front-access loading makes it quick to refill, supporting consistent uptime across multiple care locations.

Save Time, Effort and Money

High-capacity design holds more towels and dispenses them efficiently, helping staff focus less on restroom maintenance and more on patient and resident care.

Universal Compatibility

Engineered to dispense a wide variety of C-fold and multifold paper towels in a single dispenser, helping standardize across facilities while maintaining product flexibility.

Single-Towel Dispensing

One-at-a-time dispensing helps reduce waste and control towel consumption in high-traffic areas.
