Skin Contact: Rinse thoroughly with plenty of water. If irritation persists, call a physician.

Inhalation: None under normal use. If irritation develops, call a physician.

Ingestion: Rinse mouth with water. Contact a physician.

Notes to Physicians: Treat symptomatically.

Note: This product is considered safe when used as directed.

5. Fire-Fighting Measures

Flash Point: N/D

Extinguishing Media: Use extinguishing measures that are appropriate to the local circumstances and the surrounding environment.

Special Fire Fighting Procedures: Breathing apparatus, protective clothing, goggles.

Unusual Fire and Explosion Hazards: None known

Special Remarks: none

6. Accidental Release Measures

Personal Precautions: Avoid contact with eyes.

Steps to be Taken in Case Material is Released or Spilled: Floor will be slippery. Prevent further leakage or spillage if safe to do so. Clean up with water. Observe all federal, state, and local regulations.

Methods for Cleanup: Contain spill with an inert non-combustible absorbent material (e.g., dry sand or earth) and place in a chemical waste container for disposal according to local / national regulations (see section 13).

Other Precautions: None known.

7. Handling and Storage

Handling: Handle in accordance with good industrial hygiene and safety practice. Avoid contact with eyes.

Storage: Keep containers tightly closed in a dry, cool and well-ventilated place. Keep away from heat.

8. Exposure Control/Personal Protection

Respiratory Protection (Specify Type): No special requirements.

Ventilation: None necessary when product is used as directed.

Local Exhaust: N/A

Special: N/A

Mechanical (general): N/A

Other: N/A

Protective Gloves: None necessary when product is used as directed.

Eye Protection: None necessary when product is used as directed.

Other Protective Clothing or Equipment: None necessary when product is used as directed.

Work/Hygienic Practices: Normal safe working practices.

Special Notes: none known

9. Physical and Chemical Properties

Physical State: Liquid, Cream

Color: Off White to Light Beige

Odor: Characteristic

Specific Gravity @ 25°C (77°F): 0.97 - 1.01

pH: 5.5 - 6.0

Viscosity: 160000.0 - 300000.0

Flash Point: Not available

Melting Point/Freezing Point: Not available

10. Stability and Reactivity

Stability: Stable

Incompatibility: unknown

Hazardous Polymerization: Will not occur

Conditions to Avoid: unknown

11. Toxicological Information

11.1 Information on Toxicological Effects

Acute Toxicity: Product is considered safe for its intended use based on the formulation and history of safe consumer use. May cause skin irritation to sensitive individuals.

Chronic Toxicity: unknown

Target Organs: None known

12. Ecological Information

The environmental impact of this product has not been fully investigated.

13. Disposal Considerations

Waste Disposal Method(s): Dispose of according to state and local regulations.

Precautions to be Taken in Handling: Observe all federal, state, and local regulations.
