Heather Taylor
Data Management COO Analyst
McKesson Medical-Surgical

Dear Heather,

The products listed below, manufactured by Dale Medical Products, Inc., are sold as medical devices and do not require a Safety Data Sheet under the Occupational Safety and Health Administration standard entitled “Hazard Communication”, 29 CFR 1910.1200.

These products in their marketed packaging are generally not considered hazardous under normal conditions of use, when used in accordance with our labeling:

- Dale Nasogastric Tube Holder, Product Number 160 and 161
- Dale Tracheostomy Tube Holders, Product Numbers 240, 241, 242 and 244
- Dale Endotracheal Tube Holders, Product Numbers 270 and 273
- Dale Foley Catheter Tube Holders, Product Numbers 150, 316 and 330
- Dale Nasal Dressing Holder, Product Number 600
- Dale Transducer Holder, Product Number 620
- Dale Bendable ArmBoards, Product Numbers 650, 651, 652 and 653
- Dale IV Armor, Product 675
- Dale Abdominal Binders, All Sizes and Product Numbers
- Dale Post-Surgical Bras, Product Numbers, 702, 703, 704, 705 and 706
- Dale ACE Connector’s, Product Numbers 475 and 485
- Dale Vascular Securement Devices, Product Numbers 849, 850, 851, 852, 853 and 854
- Dale General Purpose Securement Devices, Product Numbers 950, 951 and 952

In addition, none of these products contain hazardous chemicals that require warning labels for California PROP 65 requirements.

Please feel free to contact me if you would like any additional information.

Best regards,

Ray Gruneberg
