# Safety Data Sheet

## Section I - Identification

**Product Name:** ClaraVie Body wash and Shampoo
**Manufacturer:** Derma Sciences Canada Inc. (Gentell Canada)
**Address (Number, Street, City):** 104 Shorting Road
Toronto, Ontario
M1S 3S4, Canada
**Date Prepared:** 01 Dec 2025

## Section II - Hazards Identification

**Overview:** A personal care product that is safe for use by consumers under all normal and intended circumstances. The ingredients in this material are not listed as irritants or carcinogens by IARC, NIP, OSHA, or ACGIH.

**Potential Health Effects:**

**Eyes:** No hazards identified
**Skin:** No hazards identified
**Acute Health Hazards:** No hazards identified
**Chronic Health Hazards:** No hazards identified
**GHS Hazard Symbols:** Not Applicable
**Signal Word:** Not Applicable
**GHS Hazard Classification(s):** Not Classified
**Hazard Statement(s):** Not Applicable
**Prevention Statement(s):** Not Applicable
**Response Statements(s):** Not Applicable
**Disposal Statements(s):** Not Applicable
**Storage Statements(s):** Not Applicable

## Section III - Ingredients/ Identity Information

| Chemical Name | CAS#/Codes | Weight |
|---|---|---|
| Purified Water | 7732-18-5 | Confidential |
| Sodium Lauryl Sulphate | 151-21-3 | Confidential |
| Sodium Laureth Sulfate | 9004-82-4 | Confidential |
| Lauryl Glucoside | 110615-47-9 | Confidential |
| Cocamidopropyl Betaine | 61789-40-0 | Confidential |
| Sodium Isostearoyl Lactylate | 66988-04-3 | Confidential |
| Polysorbate 20 | 9005-64-5 | Confidential |
| Propylene Glycol | 57-55-6 | Confidential |
| Disodium EDTA | 130-33-3 | Confidential |
| Ethylhexylglycerin | 70445-33-9 | Confidential |
| Phenoxyethanol | 122-99-6 | Confidential |
| Sodium Chloride | 7647-14-5 | Confidential |

| | | |
|---|---|---|
| Orange 4 Powder | 633-96-5 | Confidential |
| Citric Acid Anhydrous | 77-92-9 | Confidential |
| Tocopheryl Acetate | 7695-91-2 | Confidential |
| Fragnance | N/A | N/A |

This product does not contain any ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 or WHMIS under the HPA.

## Section IV—First Aid Measures

**Eyes:** Flush with plenty of cool water. Remove contact lenses and continue flushing with cool water. Obtain medical attention if irritation persists.

**Skin:** Flush with cool water. Obtain medical attention if irritation persists.

**Ingestion:** Do not induce vomiting. Never give anything by mouth if unconscious or convulsing. Obtain medical attention.

**Inhalation:** If symptoms develop, move individual to fresh air. Obtain medical attention if symptoms persist.

**General advice:** If individual feel unwell, seek medical advice. Avoid contact with eyes. Keep out of reach of children.

## Section V—Fire Fighting Measures

**Extinguishing media:** Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.
**Fire extinguishing procedure:** Fight fire with normal precautions from a reasonable distance
**Unusual fire and explosion hazards:** Not expected under normal conditions.
**Hazardous decomposition products:** None

## Section VI—Accidental Release Measures

**Personal Precautions:** Use judgement when cleaning up spill. Wear suitable protective clothing, gloves and eye/face protection. Keep people away from spill/leak.

**Methods for Containment:** Stop leaks if you can do so without risk. Prevent entry into waterways, sewers, basements and/or confined areas.

**Methods for cleaning-up:** Before attempting to clean-up, refer to hazard data given above. Small spills may be absorbed with non-reactive absorbent and placed in suitable, covered, labelled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice. Never return spills in original containers for re-use.

## Section VII—Handling and Storage

**Handling and Storage:** Store at room temperature in closed container.

**Other Precautions:** Use good industrial hygiene practices in handling this material.

## Section VIII—Exposure Control and Personal Protection

**Ventilation:** General ventilation normally adequate

**Respiratory Protection:** No special requirements

**Eye Protection:** When pouring liquid, wear safety glasses

**Skin and body protection:** No special requirements

**General Considerations:** Handle in accordance with good industrial hygiene and safety practice. When using do not eat or drink. Wash hands immediately after handling the product.

## Section IX- Physical/Chemical Characteristics

**Color, Odor & Appearance:** This product is a translucent liquid with a Viscous orange color and characteristic fragrance.
**Ph:** 6.2-6.8
**Boiling Point:** 212 ˚ F
**Freezing Point:** <32 ˚ F
**Flash Point:** N/A
**Specific Gravity (H2O =1):** 1
**Evaporation Rate:** <1 same as water
**Solubility in Water:** Complete

## Section X- Stability and Reactivity

**Chemical Stability:** Stable under normal conditions
**Conditions to Avoid (Stability):** Do not mix with other chemicals
**Incompatibility (material to avoid):** None known
**Hazardous decomposition or by-products:** Data not available
**Hazardous polymerization:** Material – Does not occur

## Section XI—Toxicological information

**Information on likely routes of exposure**
**Product information:**
**Inhalation:** May cause irritation
**Eye contact:** May cause slight irritation
**Skin contact:** None, if used as intended
**Ingestion:** May cause digestive irritation

**Acute and chronic effects from short- and long-term exposure**

Sensitization: No data
Mutagenic effects: No data
Carcinogenicity: No data
Reproductive toxicity: No data
STOT- single exposure: No data
STOT-repeated exposure: No data
Aspiration hazard: No data

**Numerical measures of toxicity- product**
No data

## Section XII—Ecological information

**Ecotoxicity:** No Ecotoxicity data was found for the product

**Persistence and Degradability**
No data available

**Bioaccumulation**
Bioaccumulation is unlikely

**Mobility in soil**
No data

**Other adverse effects**
No data

## Section XIII—Disposal Considerations

Disposal of in accordance with all applicable local and national regulations. Dispose of containers with care.
Dispose in accordance with 40 CFR part 261, if applicable.

## Section XIV—Transport Information

**U.S Department of transportation (DOT) Shipping regulations:** This product is classified (per 49 CFR 172.101) by the U.S department of transportation, as follows.

**UN Identification Number:** Not regulated as a dangerous good under DOT, IATA, IMDG.

## Section XV—Regulatory Information

**OSHA HCS (29 CFR 1910.1200):** This product is not classified as hazardous.
**TSCA:** All ingredients listed or exempt.
**SARA Title III:** Not subject to reporting requirements.
**Cercla:** Not applicable.
**California Proposition 65:** This product does not contain chemicals known to the state of California to cause cancer or reproductive toxicity.

Not controlled by NIOSH or WHMIS.

## Section XVI—Other Information

The information contained on this Safety Data Sheet is based on data available to Derma Sciences Canada Inc. currently and is believed to be accurate. It is offered solely for information, consideration, and investigation. Derma Sciences Canada Inc. does not claim this data to be all inclusive and extends no warranties, expressly or implied, makes no representations and assumes no responsibility as to the accuracy, completeness, or suitability of this information to a particular application of the substance covered in this Safety Data Sheet. For this and other reasons, Derma Sciences Canada Inc., does not assume responsibility and expressly disclaims liability for loss, damage or expense arising of or in any way connected with the handling, storage, use or disposal of this product.

The data on this Safety Data Sheet relates only to this product and does not relate to use with any other material or in any process. It is the user's responsibility to determine the suitability of the information for their purposes.

**Prepared By:** Derma Sciences Canada Inc. Quality Assurance Department, 01 Dec, 2025

## Section XVII—Revision History

| Rev No: | Summary of changes | Effective Date |
