SAFETY DATA SHEET

Section 1. Product And Company Identification

Product Name: MetriWash™
Product Use: Instrument Detergent.

Manufacturer: METREX™ RESEARCH
1717 W. Collins Ave.
Orange, CA 92867
U.S.A.

Information Phone Number: 1-800-841-1428 (Customer Service)

Chemical Emergency Phone Number (Chemical Spills, Leaks, Fire, Exposure or Accident only):
CHEMTREC 1-800-424-9300 (in the US) 1-703-527-3887 (Outside the US)

SDS Date Of Preparation/Revision: 12/16/14

Section 2. Hazards Identification

GHS / HAZCOM 2012 Classification:
Eye Damage Category 1
Skin Irritation Category 2

Label Elements

Danger!

Hazard Phrases
Causes skin irritation.
Causes serious eye damage.

Precautionary Phrases:
Wash thoroughly after handling.
Wear protective gloves, eye protection and face protection.
IF ON SKIN: Wash with plenty of soap and water.
If skin irritation occurs: Get medical attention.
Take off contaminated clothing and wash it before reuse.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
Immediately call a POISON CENTER or doctor.
Section 3. Composition/Information On Ingredients

<table>
<thead>
<tr>
<th>Component</th>
<th>CAS No.</th>

<tr>
<td>Nonionic Surfactants</td>
<td>Proprietary</td>
<td>10-20%</td>
</tr>
</tbody>
</table>

Section 4. First Aid Measures

**Inhalation:** Move to fresh air if effects occur. Seek medical attention if symptoms develop and persist.

**Skin Contact:** Wash thoroughly with soap and water for several minutes. Seek medical attention if irritation develops and persists. Remove and launder contaminated clothing.

**Eye Contact:** Hold eye open and rinse slowly and gently with water for 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Seek immediate medical attention.

**Ingestion:** If the victim is alert, have them rinse their mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Do not attempt to give anything by mouth to an unconscious person. Seek medical advice by calling a Poison Center or doctor.

**Most important symptoms and effects, acute and delayed:** Causes severe eye irritation or burns. Permanent damage may occur. Causes skin irritation. Inhalation of mists may cause irritation of the mucous membranes and upper respiratory tract.

**Indication of immediate medical attention and special treatment, if needed:** If eye contact occurs, get immediate medical attention.

Section 5. Fire Fighting Measures

**Suitable (and Unsuitable) Extinguishing Media:** Use any extinguishing media that is appropriate for the surrounding fire. Cool fire exposed containers with water.

**Specific Hazards Arising from the Chemical:** After water boils off, combustion of residue may produce carbon monoxide, carbon dioxide, nitrogen oxides, and hydrocarbons.

**Special Protective Equipment and Precautions for Fire-fighters:** Firefighters should wear positive pressure self-contained breathing apparatus and full protective clothing for fires in areas where chemicals are used or stored.

Section 6: Accidental Release Measures

**Personal precautions, Protective equipment, and Emergency procedures:** Wear appropriate protective clothing and equipment.

**Environmental Precautions:** Avoid release to the environment. Report spill as required by local and federal regulations.

**Methods and Materials for Containment and Cleaning up:** Collect material with an inert absorbent material and place in appropriate, labeled container for disposal.
Section 7. Handling and Storage

**Precautions for Safe Handling:** Prevent contact with eyes. Avoid contact with skin and clothing. Avoid generating and breathing mists. Wear appropriate eye protection and gloves when handling (see Section 8). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**Conditions for Safe Storage, Including any Incompatibilities:** Store at room temperature. Keep containers closed.

Section 8. Exposure Controls / Personal Protection

**Exposure Limits**

<table>
<thead>
<tr>
<th>Chemical</th>
<th>Exposure Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Nonionic Surfactants</td>
<td>None Established</td>
</tr>
</tbody>
</table>

**Appropriate Engineering Controls:** General ventilation should be adequate for normal use. For operations where exposure are excessive, mechanical ventilation such as local exhaust may be needed to minimize exposure.

**Respiratory Protection:** None under normal use conditions with adequate ventilation. For operations where the exposures are excessive, a NIOSH approved dust/mist respirator is recommended. Equipment selection depends on contaminant type and concentration. Select in accordance with 29 CFR 1910.134 and good industrial hygiene practice. For firefighting, use self-contained breathing apparatus.

**Hand protection:** Impervious gloves such as neoprene are recommended.

**Eye Protection:** Safety goggles are recommended for operations where eye contact is possible.

**Skin Protection:** Wear protective clothing as needed to avoid skin contact.

**Hygiene measures:** Suitable eye wash and washing facilities should be available in the work area.

Section 9. Physical and Chemical Properties

Section 10. Stability and Reactivity

Reactivity: None known.
Chemical Stability: Stable.
Possibility of Hazardous Reactions: None known.
Conditions to avoid: Avoid excessive heat.
Incompatible Materials: Strong oxidizing agents, strong acids and bleach.
Hazardous decomposition products: Thermal decomposition may produce carbon monoxide and carbon dioxide.

Section 11. Toxicological Information

Potential Health Effects:

Inhalation: May cause irritation of the nose, throat and upper respiratory tract. Inhalation of mists may cause an allergic reaction.

Skin Contact: Causes irritation with redness and pain.

Eye Contact: Causes irritation with tearing, redness and pain. Permanent damage may occur.

Ingestion: Ingestion may cause gastrointestinal disturbances.

Chronic Hazards: None currently known.

Carcinogen: None of the components is listed as a carcinogen or potential carcinogen by IARC, NTP, ACGIH, or OSHA.

Reproductive Toxicity: None of the components have been shown to cause reproductive or developmental toxicity.

Mutagenic Toxicity: None of the components have been shown to cause mutagenic activity.

Acute Toxicity Values: No toxicity data is available for the product. Acute Toxicity Estimate (ATE): 10505 mg/kg
Nonionic Surfactants: Oral rat LD50 1300 mg/kg; Dermal rabbit LS50 >2000 mg/kg

Section 12. Ecological Information

Toxicity: No toxicity data available for product.
Nonionic Surfactants: 96 hr EC50 Lepomis macrochirus 1-1.8 mg/L; 48 hr EC0 daphnia magna 12.2 mg/L

Persistence and degradability: Nonionic surfactants are readily biodegradable.

Bioaccumulative Potential: No data available.

Mobility in Soil: No data available.

Other Adverse Effects: None known
Section 13. Disposal Considerations

Solution Disposal: For unused solution, flush thoroughly with large quantities if water into sewage disposal system in accordance with Federal, State, and local regulations. For used solution, the waste solution must be characterized by the generator and disposed of in accordance with Federal, State, and local regulations.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If recycling is not available, discard in trash.

Section 15. Regulatory Information

U.S. Federal Regulations:

EPA SARA 311/312 Hazard Classification: Acute Health

EPA SARA 313: This Product Contains the Following Chemicals Subject to Annual Release Reporting Requirements Under SARA Title III, Section 313 (40 CFR 372): None

Protection Of Stratospheric Ozone: This product is not known to contain or to have been manufactured with ozone depleting substances as defined in 40 CFR Part 82, Appendix A to Subpart A.

CERCLA SECTION 103: This product is not subject to CERCLA reporting requirements; however, many states have more stringent release reporting requirements. Report spills required under federal, state and local regulations.

California Proposition 65: This product contains a chemical known to the State of California to cause cancer or reproductive toxicity.

Canadian Regulations

National Pollutant Release Inventory (NPRI): This Product Contains the Following Chemicals Subject to Annual Release Reporting Requirements NPRI: None

WHMIS Classification: Class D-2-B
This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations and the MSDS contains all the information required by the Controlled Products Regulations.
International Inventories

**US EPA TSCA Inventory:** All of the components of this product are listed on the Toxic Substances Control Act (TSCA) Chemical Substances Inventory or exempt.

**Canadian Environmental Protection Act:** All of the components in this product are listed on the Domestic Substances List (DSL) or exempt.

**Australia:** All of the components in this product are listed on the Australian Inventory of Chemical Substances (AICS) or exempt.

**China:** All of the components in this product are listed on the Inventory of Existing Chemical Substances in China (IECSC) or exempt.

**European Union:** All the components in this product are listed on the EINECS inventory or exempt.

**Korea:** All of the components in this product are listed on the Korean Existing Chemicals List (KECL) or exempt.

**New Zealand:** All of the components in this product are listed on the New Zealand Inventory of Chemicals (NZIoC) or exempt.

**Philippines:** All of the components of this product are listed on the Philippines Inventory of Chemicals and Chemical Substances (PICCS) or exempt.

### Section 16. Other Information

**NFPA Rating:**
- Fire: 0
- Health: 3
- Instability: 0

**Effective Date:** 12/16/2014

**Supersedes Date:** 12/18/2012

**Revision Summary:** All sections. Converted to GHS format

The information and recommendations set forth herein are taken from sources believed to be accurate as of the date of preparation, however, METREX™ RESEARCH makes no warranty with respect to the accuracy or suitability of the recommendations, and assumes no liability to any use thereof.
