The following information is enclosed in response to your inquiry:

- SDS for Endocet Tablets, Folic Acid Tablets, Prednisone Tablets

This information is provided to assist you in formulating your own opinions regarding appropriate use of an Endo product. Endo Pharmaceuticals Inc. does not endorse or recommend use of our products in any manner or for any indication not discussed in the enclosed approved prescribing information. Please review the prescribing information for a complete discussion of labeled adverse events prior to use of the product.

In order to monitor the safety of our products, Endo Pharmaceuticals Inc. encourages clinicians to report suspected adverse events to the company at 1-800-462-3636. If you need further information or assistance, please do not hesitate to contact us at 1-800-462-ENDO (1-800-462-3636). We welcome the opportunity to assist you and appreciate your interest in our products.

Sincerely,

Lisa M. Kutney PharmD

SDS for Endocet Tablets, Folic Acid Tablets, Prednisone Tablets

## Safety Data Sheet

You have requested a Safety Data Sheet (SDS) for Endocet Tablets, Folic Acid Tablets and Prednisone Tablets, Endo Pharmaceuticals products.

According to the Occupational Safety and Health Administration (OSHA) Hazard Communication Standard, a Safety Data Sheet is not required for this product. Products such as drugs, cosmetics, food, or alcoholic beverages, wood or wood products, and tobacco or tobacco products as defined in 29 CFR Part 1910.1200(b)(6)(vii), are exempt from the entire Standard: "any drug… when it is in solid, final form for direct administration to the patient (*e.g.*, tablets or capsules); drugs which are packaged by the chemical manufacturer for sale to consumers in a retail establishment (*e.g.*, over-the-counter drugs)…"[1]

Items that are considered articles as defined in 29 CFR 1910.1200(c) are also exempt from this standard.[2]

**Although no Safety Data Sheet is required for this product, please refer to the prescribing information for the requested product, which may provide Safe Handling, Warnings, or Precautions to be taken when handling or taking the product.**

In addition, the requested product is not regulated as hazardous material for shipping in accordance with the U.S. Department of Transportation, and has no hazardous storage limitations as defined by the National Fire Protection Association.
