California Proposition 65 Statement

Cardinal Health evaluates its products to ensure compliance with California Health and Safety Code Section 25249.6 ("CA Proposition 65"). This evaluation may include identification of CA Proposition 65 listed chemicals, review of material supplier declaration statements, completion of third-party laboratory testing and review of data, and/or completion of other assessment steps pursuant to applicable regulations. The current CA Proposition 65 chemical list, updated annually by the state of California, can be found at https://oehha.ca.gov/proposition-65/proposition-65-list.

We have reviewed your request regarding the product/s listed below. Based on Cardinal Health's knowledge of these products, a CA Proposition 65 warning is not required. Our evaluation indicates these products do not contain chemicals over established thresholds on the CA Proposition 65 chemical list.
